

## **NOTICE OF FINANCIAL AID**

Lewis County General Hospital provides health care services for all who need it regardless of their ability to pay.

Financial aid for eligible services is available to patients with or without health insurance, based on their income and needs. In addition, we can provide you with a list of insurance navigators that can help you obtain free or low-cost health insurance. We can also work with you to arrange a manageable interest free payment plan.

For more information, please contact the billing office at 315-376-5210.

We treat your questions with confidentiality and courtesy.
